INTRODUCTION

INVITATION - SacSewer invites Responses which offer to provide the services identified on the Cover Sheet.

DEFINITIONS - We intend to express our expectations clearly, and they are to be legally interpreted in SacSewer's favor.

WE/US/OUR are terms which refer to the SacSewer a duly organized public entity. They may also be used as pronouns for various subsets of the District organization, including, as the context will indicate:

District – Sacramento Area Sewer District

SacSewer- Sacramento Area Sewer District

YOU/YOUR are terms that refer to businesses having some sort of relationship to or with us. The term may apply differently as the context will indicate. For instance, “you” as a Contractor will have different obligations than “you” as a Proposer or Supplier will have:

Supplier - A business entity engaged in the business of providing the safety products and equipment.

Proposer - A business entity submitting a Response to this RFP. Suppliers which may express interest in this RFP, but which do not submit a Response, have no obligations with respect to the proposal requirements.

Contractor - The Proposer(s) who's Response to this RFP is evaluated as meeting the needs of SacSewer Supplier(s) will be selected for award, and will enter into a contract(s) for provision of the product described in the RFP.

Subcontractor - A company that enters into a business relationship with the Contractor. The Contractor may seek to place employees of the Subcontractor for the services described in the RFP.

REQUEST FOR PROPOSAL (RFP) - This entire document, including attachments.

RESPONSE - The written, signed and sealed document submitted according to the RFP instructions. Response does not include any verbal or documentary interaction you may have with us apart from submittal of a formal response. Verbal interactions will not be binding on SacSewer or Supplier(s) with respect to requirements stated within this RFP or resulting contractual obligations.

RFP CLARIFICATION - Questions regarding this RFP should be directed to the Issuing Officer specified below. Answers citing the question, but not identifying the supplier(s), will be distributed simultaneously to all known prospective proposers via email. Oral answers provided by SacSewer, or its agents shall not be binding.

DEADLINE FOR BID SUBMITTAL – February 18, 2026 by 3:00pm

RFP Amendment: If it becomes evident that this RFP must be amended, we will issue a formal written amendment to all known prospective Proposers.

PROPOSER RESPONSIBILITY - We expect you to be thoroughly familiar with all specifications and requirements of this RFP. Your failure or omission to examine any relevant form, article, site or document will not relieve you, as a supplier(s), from any obligation regarding this RFP. By submitting a Response, you are presumed to concur with all terms, conditions and specifications of this RFP unless you have specifically raised objection. Objections we consider excessive or affecting vital terms may reduce or eliminate your prospects for award.

SUBMISSION OF PROPOSALS - Proposals should be prepared in such a way as to provide a straight forward, concise delineation of capabilities to satisfy the requirements of the RFP.

COMPLETENESS - Proposal shall be completed in all respects as indicated. A proposal may be rejected if it is conditional or incomplete, or it contains irregularities of any kind.

FALSE/MISLEADING STATEMENTS - Proposal which contain false or misleading statements, or which provide references which do not support an attribute or capability of the proposed system may be rejected. If, in the opinion of the SacSewer such information was intended to mislead the SacSewer in its evaluation of the Proposal and the attribute, condition or capability as a requirement of the RFP, the Proposal shall be rejected.

PROPOSAL SIGNATURE - The proposal must be signed by an individual who is authorized to bind the responding firm contractually. The signature should indicate the title or position that the individual holds in the firm. Firms who sign their contracts with the name of the firm must provide the name of the corporate officer for signature validation by the SacSewer. An unsigned proposal shall be rejected.

AWARD – SacSewer will award to the contactor(s) who presents the greatest value, in our view, to SacSewer from the standpoint of suitability to purpose, quality, service, previous experience, price, ability to deliver, or for any other reason deemed by the SacSewer to be in the best interest of SacSewer. Thus, the result will not be determined by price alone.

CONTRACT EXECUTION - This RFP and the supplier(s)'s Response will be made part of any Contract(s) and will be incorporated in the Contract as set forth.

PRECEDENCE - In the event of contradictions or conflicts between the provisions of the documents comprising the Contract, they will be resolved by giving precedence in the following order:

- 1) The provisions of the Contract (as it may be amended);
- 2) The provisions of the Supplier(s) Response (as it may be clarified);
- 3) The provisions of the RFP (as it may be supplemented).

SacSewer's decision shall be final.

8. Workers' Compensation:

WORKERS' COMPENSATION WAIVER OF SUBROGATION: The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against the Additional Insured Parties, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against the Additional Insured Parties.

9. Notification of Claim

If any claim for damages is filed with CONTRACTOR or if any lawsuit is instituted against CONTRACTOR, that arise out of or are in any way connected with CONTRACTOR'S performance under this Agreement and that in any way, directly or indirectly, contingently or otherwise, affect or might reasonably affect DISTRICT, CONTRACTOR shall give prompt and timely notice thereof to DISTRICT. Notice shall be prompt and timely if given within thirty (30) days following the date of receipt of a claim or ten (10) days following the date of service of process of a lawsuit.

10. INDEMNITY:

Proposers are expected to agree to the following indemnity:

To the fullest extent permitted by law, Contractor shall indemnify, defend, and hold harmless Sacramento Area Sewer District and the County of Sacramento, their governing Boards, officers, directors, officials, employees, and authorized volunteers and agents, (collectively "Indemnified Parties") from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively "Claims") including cost of defense, settlement, arbitration, and reasonable attorneys' fees, resulting from injuries to or death of persons, including but not limited to employees of either Party hereto, and damage to or destruction of property or loss of use thereof, including but not limited to the property of either Party hereto, arising out of, pertaining to, or resulting from the acts or omissions of the Contractor, its officers, employees, or agents, or the acts or omissions of anyone else directly or indirectly acting on behalf of the Contractor, or for which the Contractor is legally liable under law regardless of whether caused in part by an Indemnified Party. Contractor shall not be liable for any Claims arising from the sole negligence or willful misconduct of an Indemnified Party where such indemnification would be invalid under Section 2782 of the Civil Code.
