12. SELECTION PROCESS

In order to be considered, interested consultants must submit a complete proposal document, with organization and content consistent with Section 9 of this RFP, by the proposal submission deadline stated in Section 4 of this RFP.

Ranking of the proposals will be based on the proposal rating criteria. Proposals will be evaluated in three phases by a SacSewer appointed proposal selection committee as follows:

Phase 1: Proposals will be examined as to whether or not the Consultant understood and responded in accordance with the following requirements:

- 1) Proper completion and submittal of required proposal documents; and
- 2) Related experience requirement(s) met or exceeded in Section 9(e).

Phase 2: Proposals that meet the requirements in Phase 1 will then be evaluated and scored using the table in Section 11 of this RFP. The table identifies criteria used in the determination of the final proposal ranking. If any single criteria score fails to be above zero, the proposal will be automatically rejected. Those proposals with a weighted score of less than 60 will be disqualified. Based upon the evaluation of the proposals and references correctly submitted, the most responsive proposals may be invited to an interview to further aid the selection process. SacSewer may also elect to complete the consultant evaluation and selection without going through the interview process.

Phase 3: Cost information for the highest ranked proposal (and interview, if conducted) will be opened and SacSewer will enter into negotiations with the consultant. If a mutually agreeable contract is unable to be negotiated, SacSewer will conclude negotiations with said consultant, and commence negotiations with the consultant with the next highest ranked proposal. This process will continue until an agreement is successfully negotiated or the entire list of eligible consultants is exhausted. Once a

mutually agreeable contract is executed, the remaining sealed cost proposals will be returned to remaining consultants.

SacSewer reserves the right:

- **To reject any or all Proposals, or any part thereof; and**
- **To select more than one consultant; and**
- **To waive any informality in the Proposal; and**
- **To accept the Proposal that is in the best interest of SacSewer.**

All SacSewer's decisions will be final.
