## 1. INTRODUCTION

The Sacramento Area Sewer District (SacSewer) is a sewage collection, treatment, and resource recovery utility serving more than 1.6 million people in a 387-square-mile service area in the Sacramento region. SacSewer's service area includes the unincorporated areas of Sacramento County and the cities of Citrus Heights, Rancho Cordova, Elk Grove, Folsom, Sacramento, and West Sacramento.

SacSewer owns and operates over 5,000 miles of sewer pipes and 117 pump stations and is responsible for the operations and maintenance of those pipes and pump stations. Sewage is collected from residential, commercial, and industrial customers and conveyed to SacSewer's EchoWater Resource Recovery Facility (EchoWater Facility) near Elk Grove. SacSewer takes pride in recovering valuable resources from the sewage that enters the EchoWater Facility. Examples include biosolids recycling, water recycling, and renewable energy generation.

The following is SacSewer's mission and vision:

***Mission:*** *Serving our community by protecting public health and the environment through sewage collection, treatment, and resource recovery.*

***Vision:*** *Setting the bar for excellence in utility management and environmental sustainability.*

SacSewer has four core values that help SacSewer deliver on its mission and vision:

- Responsibility – Accountable and Committed
- Resolve – Determined to Succeed
- Proficiency – Skilled and Capable
- Environmental Stewardship – Protect and Sustain

## 2. BACKGROUND

SacSewer demonstrates a strong commitment to environmental sustainability through its mission, vision, and core value of environmental stewardship. In alignment with our core values, SacSewer is working toward formalizing an energy management program to identify opportunities for conservation, efficiency, and renewable energy generation to become a Net Energy Producer.

This commitment is reflected through several initiatives, including the development of the BioGeneration Facility Project (BioGen Project), Solar Energy Array Installations, and partnership in the Sacramento Municipal Utility District's (SMUD) Solar Shares Program. The combination of the BioGen Project, Solar Shares, and Solar Energy Array

at the EchoWater Facility is projected to supply approximately 70% of the facility’s power needs, substantially fueling its own power supply. The BioGen Project will use all biogas produced onsite to provide power and heat to offset utility purchases, and the new generation facility will begin operation by the end of 2026. Combined with solar energy production and SMUD’s renewable energy partnership, these efforts mark a significant step toward achieving SacSewer’s net-energy production goal.

3. OBJECTIVE

SacSewer seeks a consultant to provide engineering and planning services to develop a comprehensive Energy Management Plan for SacSewer. The objective of this effort includes:

- a. Develop an Energy Management Plan to initiate a comprehensive energy program to optimize energy consumption, increase sustainability, and improve energy data tracking and reporting for SacSewer facilities.
- b. Review and assess energy data for all 61 EchoWater SMUD meters and 109 Collection System SMUD meters, identifying current energy consumption patterns, areas of high energy use, and areas for improved monitoring.
- c. Identify potential energy optimization opportunities and provide recommendations for operational or capital improvements to reduce energy consumption.
- d. Develop a dashboard for reporting and tracking current and future energy data for all SacSewer Facilities.

## 12. SELECTION PROCESS

To be considered, interested consultants must submit a complete proposal document, with organization and content consistent with Section 9 of this RFP, by the proposal submission deadline stated in Section 4 of this RFP.

Ranking of the proposals will be based on capability/qualifications criteria. Proposals will be evaluated in three phases as follows:

**Phase 1:** Proposals will be examined as to whether or not the Consultant understood and responded in accordance with the following requirements:

- 1) Proper completion and submittal of required proposal documents; and
- 2) Related experience requirement met or exceeded.

**Phase 2:** Proposals that meet the requirements in Phase 1 will be evaluated and scored using the table in Section 11 of this RFP. The table identifies criteria used in the determination of the final proposal ranking. If any single criterion score fails to be above zero, the proposal will be automatically rejected. Those proposals with a weighted score of less than 60 will be disqualified. Based upon the evaluation of the proposals and reference checks, the most responsive proposals may be invited to an interview to further aid the selection process. SacSewer may also elect to complete the consultant evaluation and selection without going through the interview process.

**Phase 3:** Cost information for the highest ranked proposal (and interview, if conducted) will be opened and SacSewer will enter into negotiations with the consultant. If a mutually agreeable contract is unable to be negotiated, SacSewer will conclude negotiations with said consultant, and commence negotiations with the consultant with the next highest ranked proposal. This process will continue until an agreement is successfully negotiated or the entire list of eligible consultants is exhausted. Once a mutually agreeable contract is executed, the remaining sealed cost proposals will be disposed of.

SacSewer reserves the right:

- **To reject any or all Proposals, or any part thereof; and**
- **To select more than one consultant; and**
- **To waive any informality in the Proposal; and**
- **To accept the Proposal that is in the best interest of SacSewer.**

All SacSewer's decisions will be final.

**[Option (A)]**

A. It is understood and agreed that CONSULTANT (including CONSULTANT's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto. CONSULTANT's assigned personnel shall not be entitled to any benefits payable to employees of SacSewer. SacSewer is not required to make any deductions or withholdings from the compensation payable to CONSULTANT under the provisions of this Agreement; and as an independent contractor, CONSULTANT hereby agrees to indemnify, defend, and hold SacSewer harmless from any and all claims, including reasonable attorneys' fees, that may be made against SacSewer based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement.

B. It is further understood and agreed by the parties hereto that CONSULTANT in the performance of its obligation hereunder is subject to the control or direction of SacSewer as to the designation of tasks to be performed, the results to be accomplished by the services hereunder agreed to be rendered and performed, and not the means, methods, or sequence used by CONSULTANT for accomplishing the results.

C. If, in the performance of this Agreement, any third persons are employed by CONSULTANT, such person shall be entirely and exclusively under the direction, supervision, and control of CONSULTANT. All terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by CONSULTANT, and SacSewer shall have no right or authority over such persons or the terms of such employment.

D. It is further understood and agreed that as an independent contractor and not an employee of SacSewer, neither the CONSULTANT nor CONSULTANT's assigned personnel shall have any entitlement as an SacSewer employee, right to act on behalf of

SacSewer in any capacity whatsoever as agent, nor to bind SacSewer to any obligation whatsoever. CONSULTANT shall not be covered by worker's compensation; nor shall CONSULTANT be entitled to compensated sick leave, vacation leave, retirement entitlement, participation in group health, dental, life and other insurance programs, or entitled to other fringe benefits payable by SacSewer to employees of SacSewer.

E. It is further understood and agreed that CONSULTANT must issue W-2 and 941 Forms for income and employment tax purposes, for all of CONSULTANT's assigned personnel under the terms and conditions of this Agreement.

[OR Option (B)]

C. If, in the performance of this Agreement, any third persons are employed by CONSULTANT, such person shall be entirely and exclusively under the direction, supervision, and control of CONSULTANT. All terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by CONSULTANT, and SacSewer shall have no right or authority over such persons or the terms of such employment.

entitlement, participation in group health, dental, life and other insurance programs, or entitled to other fringe benefits payable by SacSewer to employees of SacSewer.

E. Notwithstanding CONSULTANT's status as an independent contractor, SacSewer shall withhold from payments made to CONSULTANT such sums as are required to be withheld from employees by the Federal Internal Revenue Code; the Federal Insurance Compensation Act; the State Personal Income Tax Law and the State Unemployment Insurance Code; provided, however, that said withholding is for the purpose of avoiding SacSewer's liability under said laws and does not abrogate CONSULTANT's status as an independent contractor as described in this Agreement. Further, CONSULTANT is not included in any group covered by SacSewer's present agreement with the federal Social Security Administration.

[AND – Optional based on in state vs out-of-state service provider]

F. A. CONSULTANT's failure to comply with state and federal child, family and spousal support reporting requirements regarding a contractor's employees or failure to implement lawfully served wage and earnings assignment orders or notices of assignment relating to child, family and spousal support obligations shall constitute a default under this Agreement.

B. CONSULTANT's failure to cure such default within 90 days of notice by SacSewer shall be grounds for termination of this Agreement.

**13. BENEFITS WAIVER**

If CONSULTANT is unincorporated, CONSULTANT acknowledges and agrees that CONSULTANT is not entitled to receive the following benefits and/or compensation from SacSewer: medical, dental, vision and retirement benefits, life and disability insurance, sick leave, bereavement leave, jury duty leave, parental leave, or any other similar benefits or compensation otherwise provided to permanent civil service employees pursuant to

SacSewer's Employee Benefits documents for all of its Employee Groups, the Civil Service Rule, the Sacramento County Employees' Retirement System and/or any and all memoranda of understanding between SacSewer and its employee organizations. Should CONSULTANT or any employee or agent of CONSULTANT seek to obtain such benefits from SacSewer, CONSULTANT hereby agrees to indemnify, defend, and hold SacSewer harmless from any and all claims, including reasonable attorneys' fees, that may be made against SacSewer for such benefits.

**14. RETIREMENT BENEFITS/STATUS**

CONSULTANT acknowledges and agrees that SacSewer has not made any representations regarding entitlement, eligibility for and/or right to receive ongoing Sacramento County Employee Retirement System (SCERS) retirement benefits during the term of this Agreement. By entering into this Agreement, CONSULTANT assumes sole and exclusive responsibility for any consequences, impacts or action relating to such retirement benefits that is or will be occasioned as a result of the services provided by CONSULTANT under this Agreement. C. CONSULTANT must report to SacSewer in writing on a semi-annual basis (January 5th and July 5th of each calendar year), the names of employees retired from County or SacSewer employment providing services under this Agreement, and hours those employees have worked during the applicable reporting period. CONSULTANT shall submit reports to [SDASCERSReporting@sacsewer.com](mailto:SDASCERSReporting@sacsewer.com).

D. CONSULTANT shall not assign employees to provide services under this Agreement in violation of SCERS Post Retirement Employment Policy.

**16. CONFLICT OF INTEREST**

CONSULTANT and CONSULTANT's officers and employees shall not have a financial interest, or acquire any financial interest, direct or indirect, in any business, property or source of income which could be financially affected by or otherwise conflict in any manner or degree with the performance of services required under this Agreement.

**17. LOBBYING AND UNION ORGANIZATION ACTIVITIES**

A. CONSULTANT shall comply with all certification and disclosure requirements prescribed by Section 319, Public Law 101-121 (31 U.S.C. § 1352) and any implementing regulations.

**18. NONDISCRIMINATION IN EMPLOYMENT, SERVICES, BENEFITS AND FACILITIES**

A. CONSULTANT agrees and assures SacSewer that CONSULTANT and any subconsultants shall comply with all applicable federal, state, and local Anti-discrimination laws, regulations, and ordinances and to not unlawfully discriminate, harass, or allow harassment against any employee, applicant for employment, employee or agent of SacSewer, or recipient of services contemplated to be provided or provided under this Agreement, because of race, ancestry, marital status, color, religious creed, political belief, national origin, ethnic group identification, sex, sexual orientation, age (over 40), medical condition (including HIV and AIDS), or physical or mental disability. CONSULTANT shall ensure that the evaluation and treatment of its employees and applicants for employment, the treatment of SacSewer employees and agents, and recipients of services are free from such discrimination and harassment.

B. CONSULTANT represents that it is in compliance with and agrees that it will continue to comply with the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.), the Fair Employment and Housing Act (Government Code § 12900 et seq.), and regulations and guidelines issued pursuant thereto.

C. CONSULTANT agrees to compile data, maintain records and submit reports to permit effective enforcement of all applicable anti-discrimination laws and this provision.

D. CONSULTANT shall include this nondiscrimination provision in all subcontracts related to this Agreement.

**19. INDEMNIFICATION**

To the fullest extent permitted by law, for work or services provided under this Agreement, CONSULTANT shall indemnify, defend, and hold harmless SacSewer and County of Sacramento, its governing Board, officers, directors, officials, employees, and authorized volunteers and agents (collectively "Indemnified Parties"), from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively "Claims"), including cost of defense, settlement, arbitration, expert fees, and reasonable attorneys' fees, resulting from injuries to or death of any person, including employees of either party hereto, and damage to or destruction of property, or loss of use or reduction in value thereof, including the property of either party hereto, and recovery of monetary losses incurred by SacSewer directly attributable to the performance

of CONSULTANT, to the extent arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of CONSULTANT, its employees, CONSULTANT's sub-consultants or subcontractors at any tier, or any other party for which CONSULTANT is legally liable under law.

The right to defense and indemnity under this section arises upon occurrence of an event giving rise to a Claim and tendered in writing to CONSULTANT. CONSULTANT shall defend Indemnified Parties with counsel reasonably acceptable to SacSewer.

Notwithstanding the foregoing, the parties expressly agree that CONSULTANT's defense obligation under this indemnity obligation shall require CONSULTANT to defend the Indemnified Parties until any of the following occur: (1) the judgment has become final by a Court of Competent Jurisdiction, (2) other mutually agreeable dispute resolution or settlement process establishing the proportionate percentage of fault of the parties under law. In the event that fault is apportioned between SacSewer and CONSULTANT, CONSULTANT's final cost of defense shall not exceed its proportionate percentage of fault. To the extent that CONSULTANT's cost of defense exceeds its proportionate percentage of fault, SacSewer shall reimburse CONSULTANT. If requested by SacSewer, CONSULTANT agrees to participate, at its own expense, in the defense of a Claim to provide testimony or to produce documents or other relevant information.

To the extent permitted by law, this indemnity obligation shall not be limited by the types and amounts of insurance or self-insurance maintained by CONSULTANT or CONSULTANT's subconsultants or subcontractors at any tier.

Nothing in this indemnity obligation shall be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party.

The provisions of this indemnity obligation shall survive the expiration or termination of the Agreement.

**20. INSURANCE**

Without limiting CONSULTANT's indemnification, CONSULTANT shall maintain in force at all times during the term of this Agreement and any extensions or modifications thereto, insurance as specified in Exhibit [Identifier]. It is the responsibility of CONSULTANT to notify its insurance advisor or insurance carrier(s) regarding coverage, limits, forms and other insurance requirements specified in Exhibit [Identifier]. It is understood and agreed that SacSewer shall not pay any sum to CONSULTANT under this Agreement unless and until SacSewer is satisfied that all insurance required by this Agreement is in force at the time services hereunder are rendered. Failure to maintain insurance as required in this agreement may be grounds for material breach of contract.

**21. INFORMATION TECHNOLOGY ASSURANCES**

CONSULTANT shall take all reasonable precautions to ensure that any hardware, software, and/or embedded chip devices used by CONSULTANT in the performance of services under this Agreement, other than those owned or provided by SacSewer, shall be

C. SacSewer operates on a July through June fiscal year. Invoices for services provided in any fiscal year must be submitted no later than July 31, one month after the end of the fiscal year. Invoices submitted after July 31 for the prior fiscal year shall not be honored by SacSewer unless CONSULTANT has obtained prior written SacSewer approval to the contrary.

D. CONSULTANT shall maintain for four years following termination of this Agreement full and complete documentation of all services and expenditures associated with performing the services covered under this Agreement. Expense documentation shall include: time sheets or payroll records for each employee; receipts for supplies; applicable subcontract expenditures; applicable overhead and indirect expenditures.

E. In the event CONSULTANT fails to comply with any provisions of this Agreement, SacSewer may withhold payment until such non-compliance has been corrected.

CONSULTANT shall be held responsible by SacSewer for the performance of any subconsultant whether approved by SacSewer or not.

B. This Agreement is not assignable by CONSULTANT in whole or in part, without the prior written consent of SacSewer.

**24. AMENDMENT AND WAIVER**

Except as provided herein, no alteration, amendment, variation, or waiver of the terms of this Agreement shall be valid unless made in writing and signed by both parties. Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent, or any other right hereunder.

No interpretation of any provision of this Agreement shall be binding upon SacSewer unless agreed in writing by the District Engineer and counsel for SacSewer.

**25. SUCCESSORS**

This Agreement shall bind the successors of SacSewer and CONSULTANT in the same manner as if they were expressly named.

**26. TIME**

Time is of the essence of this Agreement.

**27. INTERPRETATION**

Pending resolution of any such dispute, CONSULTANT shall continue without delay to carry out all its responsibilities under this Agreement unless the Agreement is otherwise terminated in accordance with the Termination provisions herein. SacSewer shall not be required to make payments for any services that are the subject of this dispute resolution process until such dispute has been mutually resolved by the parties. If the dispute cannot be resolved within 15 calendar days of initiating such negotiations or such other time period as may be mutually agreed to by the parties in writing, either party may pursue its available legal and equitable remedies, pursuant to the laws of the State of California. Nothing in this Agreement or provision shall constitute a waiver of any of the government claim filing requirements set forth in Title 1, Division 3.6, of the California Government Code or as otherwise set forth in local, state and federal law.

**30. TERMINATION**

A. SacSewer may terminate this Agreement without cause upon [number of days] days written notice to the other party. Notice shall be deemed served on the date of mailing. If notice of termination for cause is given by SacSewer to CONSULTANT and it is later determined that CONSULTANT was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to this paragraph (A).

B. SacSewer may terminate this Agreement for cause immediately upon giving written notice to CONSULTANT should CONSULTANT materially fail to perform any of the covenants contained in this Agreement in the time and/or manner specified. In the event of such termination, SacSewer may proceed with the work in any manner deemed proper by

SacSewer. If notice of termination for cause is given by SacSewer to CONSULTANT and it is later determined that CONSULTANT was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph (A) above.

C. SacSewer may terminate or amend this Agreement immediately upon giving written notice to CONSULTANT, 1) if advised that funds are not available from external sources for this Agreement or any portion thereof, including if distribution of such funds to SacSewer is suspended or delayed; 2) if funds for the services and/or programs provided pursuant to this Agreement are not appropriated by the State; 3) if funds in SacSewer's yearly proposed and/or final budget are not appropriated by SacSewer for this Agreement or any portion thereof; or 4) if funds that were previously appropriated for this Agreement are reduced, eliminated, and/or re-allocated by SacSewer as a result of mid-year budget reductions.

D. If this Agreement is terminated by SacSewer under paragraph (A) or (C) above:

(1) CONSULTANT shall cease rendering services pursuant to this Agreement as of the termination date.

(2) CONSULTANT shall deliver to SacSewer copies of all writings prepared pursuant to this Agreement. (3) CONSULTANT shall not incur any expenses under this Agreement after notice of termination and shall cancel any outstanding expenses obligations to a third party that CONSULTANT can legally cancel.

E. If this Agreement is terminated under paragraphs (A) or (C), above, CONSULTANT shall be paid for authorized and approved services performed prior to the termination date in accordance with the provisions of the Compensation and Payment of Invoices Limitations provision of this Agreement.

SacSewer shall explain procedures for reporting the required information.

**32. AUDITS AND RECORDS**

A. Upon SacSewer's request, SacSewer or its designee shall have the right at reasonable times and intervals to audit, at CONSULTANT's premises, CONSULTANT's financial and program records as SacSewer deems necessary to determine CONSULTANT's compliance with legal and contractual requirements and the correctness of claims submitted by CONSULTANT. CONSULTANT shall maintain such records for a period of four years following termination of the Agreement, and shall make them promptly available for copying upon SacSewer's request at SacSewer's expense. SacSewer shall have the right to withhold any payment under this Agreement until CONSULTANT has provided access to CONSULTANT's financial and program records related to this Agreement.

B. CONSULTANT recognizes that SacSewer records are accessible to the public, and must be made promptly available to a requestor, and CONSULTANT agrees to provide the appropriate facilities and services in full compliance with the California Public Records Act when directed by SacSewer to do so. CONSULTANT will follow SacSewer guidance and instruction in the case of any Public Records Act requests. If the CONSULTANT terminates or sells its business, it shall promptly notify SacSewer, and provide options to SacSewer for the disposition of its records. This provision shall survive in the event of termination of this Agreement.

**33. PRIOR AGREEMENTS**

This Agreement constitutes the entire contract between SacSewer and CONSULTANT regarding the subject matter of this Agreement. Any prior agreements, whether oral or written, between SacSewer and CONSULTANT regarding the subject matter of this Agreement are hereby terminated effective immediately upon full execution of this Agreement.

**34. SEVERABILITY**

If any term or condition of this Agreement or the application thereof to any person(s) or circumstance is held invalid or unenforceable, such invalidity or unenforceability shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this Agreement are declared severable.

**35. FORCE MAJEURE**

Neither CONSULTANT nor SacSewer shall be liable or responsible for delays or failures in performance resulting from events beyond the reasonable control of such party and without fault or negligence of such party. Such events shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, acts of government, fire, power failures, nuclear accidents, earthquakes, unusually severe weather, acts of terrorism, or other disasters, whether or not similar to the foregoing, and acts or omissions or failure to cooperate of the other party or third parties (except as otherwise specifically provided herein).

**36. SURVIVAL OF TERMS**

All services performed and deliverables provided pursuant to this Agreement are subject to all of the terms, conditions, price discounts and rates set forth herein, notwithstanding the expiration of the initial term of this Agreement or any extension thereof. Further, the terms, conditions and warranties contained in this Agreement that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Agreement shall so survive.
