**ON-CALL PUMP STATION AND FACILITY
 REPAIR/REPLACEMENT/INSTALLATION/INSPECTION SERVICES**

This Request for Proposal (RFP) is to establish annual contracts for ON-CALL PUMP STATION REPAIR/REPLACEMENT/INSTALLATION/INSPECTION SERVICES as required by the Sacramento Area Sewer District (SacSewer). Specifically, SacSewer seeks to obtain several primary contractors to perform the work described under each Scope of Work. All work furnished must be provided in accordance with contract specifications and terms and conditions set forth herein. SacSewer reserves the right to extend the contract period for two (2) additional

one-year periods. Such extension(s) will be at SacSewer's option, subject to current specifications, terms, conditions, favorable prices, and agreement between the Contractor and SacSewer.

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN THAT the Sacramento Area Sewer District invites sealed Proposals for
ON-CALL PUMP STATION
REPAIR/REPLACEMENT/INSTALLATION/INSPECTION
SERVICES

Sealed proposals for RFP#8502 to provide:
ON-CALL PUMP STATION
REPAIR/REPLACEMENT/INSTALLATION/INSPECTION
SERVICES
Sacramento Area Sewer District

Proposals will be received at:

Sacramento Area Sewer District
8521 Laguna Station Road
Elk Grove, CA 95758

by 3:00 p.m. September 18, 2025

To be publicly opened and declared aloud by District representatives. Any Contractor who wishes its proposal to be considered is responsible for making certain that its proposal is delivered to

Proposal shall be addressed to:

**Sacramento Area Sewer District
8521 Laguna Station Road
Elk Grove, CA 95758
Attn: RFP #8502**

Detailed proposal request document **RFP#8502**, <https://www.sacsewer.com/business-opportunities/>

Department of Industrial Relations (DIR) Compliance

- A. No contractor or subcontractor may be listed on a bid for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
- B. No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.
- C. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
- D. All contractors and subcontractors must furnish electronic certified payroll records directly to the Labor Commissioner (aka Division of Labor Standards Enforcement).
- E. The County of Sacramento Labor Compliance Section will act as an agent of the Sacramento Area Sewer District and monitor this project for compliance. All questions regarding prevailing wage requirements should be directed to the Labor Compliance Section at (916) 875-2711.
- F. Pursuant to California Labor Code Section 1720 and following, and Section 1770 and following, the successful bidder shall pay not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations. Copies of the prevailing wage determinations are on file at the office of the County of Sacramento Labor Compliance Program, 9700 Goethe Road, Suite D, Sacramento, CA 95827, and are also available on the internet at <http://www.dir.ca.gov/DLSR/PWD>.

SacSewer anticipates 50 projects requiring pump station repairs to be completed in the next three (3) years, with an estimated cost of \$1 million per year. The cost per year is estimated, and the specific number of projects and estimated costs may be more or less. To complete these projects promptly and to reduce time and effort to submit, propose, and review proposals, SacSewer is creating a Contractor List for ON-CALL PUMP STATION REPAIR SERVICES to supplement SacSewer staff. SacSewer will choose Contractors placed on the list to provide bids or cost estimates for projects as needed. These projects include, but are not limited to, the following:

- Repair/replace/install pressurized and gravity pipe, fittings, tees, bends, etc. for wastewater, potable water, non-potable water, and site drainage systems.
- Replace/install valves, backflow preventers.
- System activation or abandonment for equipment systems and associated pipes and conduit, such as surge systems, irrigation, control panels, odor control, etc.
- Replace/install submersible and dry pumps, pump rails, and pump shoes
 - Replace/install flow meters for pressurized pipes.
- Repair/replace/install air relief valves.
- Repair/replace/install conduit.
- Repair/replace/install concrete structures or supports.
- Locate existing underground piping or assets by potholing, television inspection (TVI), or any practical means as approved by SacSewer.
- General inspection of pipes, appurtenances, structures such as vaults, pipelines, or ARVs.

Contractor proposals will be evaluated using the following scopes of work and ranked using criteria discussed further in the RFP. Selected contractors will be placed on the list(s) and will only be solicited for work under the scopes in which they were selected.

Contractors are hereby notified that pursuant to Part 7, Chapter 1, Article 2, Section 1770, et seq., of the Labor Code of the State of California, the successful Contractor and its subcontractors shall pay their labor forces not less than the general prevailing rate of wages as determined by the Director of the Department of Industrial Relations, and travel and subsistence pay as such are defined in applicable collective bargaining agreements filed in accordance with Section 1773.8 of said Labor Code, for work needed and performed on this project. It shall, pursuant to the provisions of Section 1773.2 of said Labor Code, be a requirement of the work for the successful bidding contractor to post and maintain a copy of said wages' determinations at the project site throughout the duration of the work.

SacSewer reserves the right to reject any or all Proposals and waive any irregularity in Proposals received.

RFP Issued:	August 21, 2025
Question Deadline:	September 4, 2025 by 3:00 pm
Registration on DIR:	September 18, 2025
Proposal Due Date:	September 18, 2025 by 3:00 pm
Intent to Award:	September 25, 2025
Insurance Due:	October 9, 2025
Contract Award:	October 16, 2025

1. INTRODUCTION

- 1.1 **INVITATION** –The Sacramento Area Sewer District invites Responses which offer to provide the services identified on the Cover Sheet.
- 1.2 **DEFINITIONS** - We intend to express our expectations clearly, and they are to be legally interpreted in Sacramento Area Sewer District’s favor.
- 1.2.1 **WE/US/OUR** are terms which refer to the Sacramento Area Sewer District a duly organized public entity. They may also be used as pronouns for various subsets of the organization, including, as the context will indicate:

SacSewer - Sacramento Area Sewer District

- 1.2.2 **YOU/YOUR** are terms that refer to businesses having some sort of relationship to or with us. The term may apply differently as the context will indicate. For instance, “you” as a Contractor will have different obligations than “you” as a Proposer or Supplier will have:

Supplier - A business entity engaged in the business of providing contract temporary personnel services.

Proposer - A business entity submitting a Response to this RFP. Suppliers which may express interest in this RFP, but which do not submit a Response, have no obligations with respect to the bid requirements.

Contractor - The Proposer(s) whose Response to this RFP is evaluated as meeting the needs of SacSewer. Contractor(s) will be selected for award, and will enter into a contract(s) for provision of the services described in the RFP.

Subcontractor - A company that enters into a business relationship with the Contractor. The Contractor may seek to place employees of the Subcontractor for the services described in the RFP.

Contractor’s Employee - All persons who can be offered to provide the services described in the RFP. All employees of the Contractor and the Subcontractor must be covered by the insurance programs normally provided to persons employed by a company (ex: Worker’s Comp, SDI, etc.).

- 1.2.3 **REQUEST FOR PROPOSAL (RFP)** - This entire document, including attachments.

- 1.2.4 **RESPONSE** - The written, signed and sealed document submitted according to the RFP instructions. Response does not include any verbal or documentary interaction you may have with us apart from submittal of a formal response. Verbal interactions will not be binding on SacSewer or Contractor with respect to requirements stated within this RFP or resulting contractual obligations.

- 1.3 RFP CLARIFICATION** - Questions regarding this RFP should be directed to the Issuing Officer specified below. Answers citing the question, but not identifying the contractor, will be distributed simultaneously to all known prospective proposers via email. Oral answers provided by SacSewer, or its agents shall not be binding.
- 1.3.1 DEADLINE FOR PROPOSAL SUBMITTAL – September 18, 2025 by 3:00pm**
- 1.3.2 PROPOSER RESPONSIBILITY** - We expect you to be thoroughly familiar with all specifications and requirements of this RFP. Your failure or omission to examine any relevant form, article, site or document will not relieve you, as a contractor, from any obligation regarding this RFP. By submitting a Response, you are presumed to concur with all terms, conditions and specifications of this RFP unless you have specifically, by Section number, raised objection. Objections we consider excessive or affecting vital terms may reduce or eliminate your prospects for award.
- 1.3.2.1 SUBMISSION OF PROPOSALS** – Proposals should be prepared in such a way as to provide a straightforward, concise delineation of capabilities to satisfy the requirements of the RFP. Extensive binding, colored displays, promotional materials, etc., are not necessary or desired. Emphasis should be concentrated on conformance and clarity of content.
- 1.3.2.2 COMPLETENESS** – Proposal shall be completed in all respects as indicated. A proposal may be rejected if it is conditional or incomplete, or it contains irregularities of any kind.
- 1.3.2.3 FALSE/MISLEADING STATEMENTS** - Proposal which contain false or misleading statements, or which provide references which do not support an attribute or capability of the proposed system may be rejected. If, in the opinion of SacSewer, such information was intended to mislead SacSewer in its evaluation of the Proposal and the attribute, condition or capability as a requirement of the RFP, the Proposal shall be rejected.
- 1.3.2.4 PROPOSAL SIGNATURE** – The proposal must be signed by an individual who is authorized to bind the responding firm contractually. The signature should indicate the title or position that the individual holds in the firm. Firms who sign their contracts with the name of the firm must provide the name of the corporate officer for signature validation by SacSewer. An unsigned proposal shall be rejected.
- 1.4 AWARD** - SacSewer will award to the contactor(s) who present the greatest value, in our view, to SacSewer from the standpoint of suitability to purpose, quality, service, previous experience, price, ability to deliver, or for any other reason deemed by SacSewer to be in the best interest of SacSewer. Thus, the result will not be determined by price alone.
- 1.5 CONTRACT EXECUTION** - This RFP and the Contractor’s Response will be made part of any Contract(s) and will be incorporated in the Contract as set forth.

- 1.5.1 PRECEDENCE** - In the event of contradictions or conflicts between the provisions of the documents comprising the Contract, they will be resolved by giving precedence in the following order:
- 1) The provisions of the Contract (as it may be amended).
 - 2) The provisions of the Contractors Response (as it may be clarified).
 - 3) The provisions of the RFP (as it may be supplemented).
- 1.5 CONTRACT PERIOD** - Any contract resulting from this RFP shall be for a one-year period. SacSewer reserves the right to extend the contract period for two (2) additional one-year periods. Such extension(s) will be at SacSewer's option, subject to same specifications, terms, conditions, favorable prices, and agreement between the Contractor and SacSewer.
- 1.6 ISSUING OFFICER** – The issuing officer and mailing address to send Proposal, questions, and all other correspondence concerning the RFP is:

Senior Contract Service Officer:

Tamblynn Stewart
Sacramento Area Sewer District
8521 Laguna Station Road
Elk Grove, CA 95758
(916) 875-9014
stewartt@sacsewer.com

SacSewer Contact:

Daniel Freeman, PE

- Proposer's Statement Regarding Insurance Coverage
- Proposer's Statement Regarding Payment Bond Coverage
- Exception/Response Page

Proposal Response: Interested proposers must complete and return the following pages/sections by the closing date and time shown on the cover page in order to be considered.

- Cover Page with authorized signature
- Vendor Questionnaire – be sure to include a copy of requested documents, including but not limited to current business and contractor's licenses.
- Contractor License Certification
- Proposer's Statement Regarding Insurance Coverage
- Proposer's Statement Regarding Payment Bond Coverage
- Exception / Response Page
- Two (2) copies of proposal and mark the original as the "Original" or "Master Copy"

Note: SacSewer will not accept proposals by way of facsimile transmission or e-mail. Proposals must be signed and received in a sealed envelope. Refer to instructions on the cover page.

Protests: After receipt of SacSewer's Intent to Award notice, any bidder who has questions or concerns should immediately contact the Issuing Officer for discussion. Any bidder who believes that they have grounds for a protest must submit a written protest on company letterhead within three (3) business days after the Intent to Award letter has been sent out. Any protest letter must state the specific grounds for protest and the actions being requested of SacSewer. **No protest received after 4 p.m. on the 3rd business day shall be accepted.**

If any District holiday falls within the 3 business day protest response period the protest acceptance period will be extended by the holiday(s). For example, if the Intent to Award notice is issued on a

Friday, a protest must be received by Wednesday at 4 p.m. Should any of the 3 days be a County holiday the deadline will be extended by the number of holidays occurring during the 3 business day protest response period.

GENERAL CONDITIONS

1. **BID/QUOTE/PROPOSAL/GENERAL CONDITIONS:** All the terms and conditions of the bid, quote, or proposal against which this purchase document is applied, are hereby incorporated.
2. **SALES TAX NOT INCLUDED:** Unless otherwise definitely specified, the unit prices do not include California sales and use tax or Sacramento County sales and use tax.
3. **HOLD HARMLESS:** The vendor shall hold the Sacramento Area Sewer District, its officers, agents, servants and employees harmless from liability of any nature or kind because of use of any copyrighted, or uncopyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used under this order, and agrees to defend, at his own expense, any and all actions brought against the Sacramento Area Sewer District or himself because of the unauthorized use of such articles.
4. **DEFAULT BY VENDOR:** In case of default by vendor, the Sacramento Area Sewer District may procure the articles or services from other sources and may deduct from any monies due, or that may thereafter become due to the vendor, the difference between the price named in the contract or purchase order and actual cost thereof to the Sacramento Area Sewer District. Prices paid by SacSewer shall be considered the prevailing market price at the time such purchase is made. Periods of performance may be extended if the facts as to the cause of delay justify such extension in the opinion of the SacSewer Purchasing Agent.
5. **RIGHT TO AUDIT:** The Sacramento Area Sewer District reserves the right to verify, by examination of vendor's records, all invoiced amounts when firm prices are not set forth in the purchase agreement.
6. **ASSIGNMENT:** (a) This award is not assignable by contractor either in whole or in part, without the prior written approval of the SacSewer Purchasing Agent of the Sacramento Area Sewer District. (b) In submitting a quote to a public purchasing body, the quoter offers and agrees that if the quote is accepted, it will assign to the purchasing body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) & the Cartwright Act (Chapter 2 [commencing with Section 16700] of part 2 of Division 7 of the Business and Professions Code), arising from the purchases of goods, materials, or services by the quoter for sale to the purchasing body pursuant to the quote. Such assignment shall be made and become effective at the time the purchasing body tenders final payment to the quoter.
7. **APPLICABILITY TO HEIRS:** Time is of the essence of each and all the provisions of this agreement and, subject to the limitations of Paragraph 8, the provisions of this agreement shall extend to and be binding upon and inure to the benefits of the heirs, executors, administrators, successors, and assigns of the respective parties hereto.
8. **F.E.T. EXEMPTION:** Sacramento Area Sewer District is exempted from payment of Federal Excise Tax. No federal tax shall be included in price.

9. **CHARGES NOT INCLUDED ON FACE NOT ACCEPTABLE:** No charge will be accepted for packing, boxing, or cartage, except as specified in the Notice of Award. Freight collect shipments will not be accepted. Merchandise will not be accepted if payment is to be made at the time of delivery.
10. **TITLE:** Except as otherwise expressly provided herein, title to and risk of loss on all items shipped by seller to buyer shall pass to the buyer upon buyer's inspection and acceptance of such items at buyer's building.
11. **CHANGES WITHOUT NOTICE PROHIBITED:** No changes in price, quantity or merchandise will be recognized by the Sacramento Area Sewer District without written notice of acceptance thereof prior to shipment.
12. **ALL UNDERSTANDINGS IN WRITING:** It is mutually understood and agreed that no alteration or variation of terms of this award shall be valid unless made in writing and signed by the parties hereto, and that no oral understandings or agreements not incorporated herein, and no alterations or variations of the terms hereof unless made in writing between the parties hereto shall be binding on any of the parties hereto.
13. **FORCE MAJEURE:** Neither CONTRACTOR nor SACSEWER shall be liable or responsible for delays or failures in performance resulting from events beyond the reasonable control of such party and without fault or negligence of such party. Such events shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, acts of government, fire, power failures, nuclear accidents, earthquakes, unusually severe weather, acts of terrorism, or other disasters, whether or not similar to the foregoing, and acts or omissions or failure to cooperate of the other party or third parties (except as otherwise specifically provided herein).
14. **INVOICING:** Upon submission of itemized invoices, in duplicate, payment shall be made of the prices stipulated herein for supplies delivered and accepted or services rendered and accepted, less deductions, if any, as herein provided. Payment on partial deliveries may be made whenever amounts due so warrant or when requested by the vendor and approved by the Purchasing Agent.
15. **SPECIAL CONDITIONS:** Buyer's standard terms and conditions shall govern any contract awarded. If, after award of contract, vendor provides additional terms or conditions, they shall be considered void. To the extent not otherwise stated in the contract, the California Commercial code shall apply.
16. **SCERS POST RETIREMENT EMPLOYMENT POLICY**
 - A. Any employee of, or contractor retained by, CONTRACTOR who is retired from Sacramento County service is subject to SCERS Post Retirement Employment Policy and must adhere to limitations on post-retirement service, including a 180-day waiting period before working for the County or SACSEWER and a 960-hour per calendar year cap when working for the County or SACSEWER.
 - B. Upon execution of this Agreement, CONTRACTOR shall report to SACSEWER in writing, the names of current and future employees who will provide services under this Agreement, that are retired from Sacramento County employment.
 - C. CONTRACTOR must report to SACSEWER in writing on a semi-annual basis (January 5th and July 5th of each calendar year), the names of employees retired from Sacramento County employment providing services under this Agreement, and hours those employees have worked during the

Sacramento Area Sewer District
RFP#8502 ON-CALL PUMP STATION AND FACILITY REPAIR /
REPLACEMENT / INSTALLATION / INSPECTION SERVICES

- D. applicable reporting period. CONTRACTOR shall submit reports to SDASCERSReporting@sacsewer.com.
- E. CONTRACTOR shall not assign employees to provide services under this Agreement in violation of SCERS Post Retirement Employment Policy.

SCOPES OF WORK

Introduction and Background

The Sacramento Area Sewer District (SacSewer) is soliciting proposals for qualified contractors to perform ON-CALL PUMP STATION REPAIR/REPLACEMENT/INSTALLATION/INSPECTION SERVICES to rehabilitate or repair existing facilities that are used for the conveyance, handling, treatment, or disposal of sewage.

SacSewer's Mission: Serving our community by protecting public health and the environment through sewage collection, treatment, and resource recovery. To reduce sanitary sewer spills and meet our mission, SacSewer is creating a contractor list for ON-CALL PUMP STATION REPAIR/REPLACEMENT/INSTALLATION/INSPECTION SERVICES. Contractors who are placed on the list (s) will be chosen to complete projects, including but not limited to:

- Pressurized and gravity pipes, fittings, and valves for water, grey water, or sewage.
- Submersible or dry installation pump.
- Air relief valves.
- Backflow preventers.
- Flow meters.
- Conduit.
- Concrete structures or supports.
- Locate existing underground equipment.
- Work with underground marker balls.
- Pipe inspection.

Contractor proposals will be evaluated using the following scopes of work and ranked using criteria discussed further in the RFP. Selected contractors will be placed on SacSewer's ON-CALL PUMP STATION REPAIR/REPLACEMENT/INSTALLATION/INSPECTION SERVICES list. Actual bids for specific projects will be solicited at a later date.

General Scope

- The following information pertains to each of the scopes of work that follow.
- All construction shall be in accordance with the current Sacramento Area Sewer District Standards and Specifications unless otherwise noted.
- Contractor must provide all traffic control as required by the governing agency. If work is in easement/backyard, coordinate with the property owner or resident for access. SacSewer will provide door hangers to the Contractor. Contractor must give 48 hours' notice for access to easements/backyards and to those homes that will have service interruptions during the work. Work in incorporated areas within the County may require additional coordination.
- Contractor must make pre-construction videos or take pictures as necessary to show the existing conditions of the job site. The videos and or pictures will be used in the event of a claim.
- Contractor must be responsible for all fines, damages, liabilities, and claims resulting from sanitary sewer spills caused by their work.

Sacramento Area Sewer District
RFP#8502 ON-CALL PUMP STATION AND FACILITY REPAIR /
REPLACEMENT / INSTALLATION / INSPECTION SERVICES

- Contractor must report immediately all sanitary sewer spills caused by their work to SacSewer at (916) 875-6730.
- Contractor must restore the job site to pre-construction condition or as approved by SacSewer prior to leaving the job site.

SPECIFICATIONS

1. **Contract Period:** The initial term shall be for one year. To promote efficiency and economy, SacSewer reserves the right to extend the contract period for two (2) additional one-year periods. Such extension(s) will be at SacSewer's option, subject to the same specifications, terms, conditions, favorable prices, and agreement between the Contractor and SacSewer.
2. **Contract Award:** SacSewer plans to award a contract to the most responsible, responsive contractors using this document's Evaluation and Award Matrix.
3. **Estimated Quantities:** Quantities (or expenditures) shown are merely estimates for a typical project. SacSewer does not guarantee the purchase of a minimum quantity, nor any remaining materials, tools, or appliances acquired by the Contractor to support this contract.
4. **Contractor's License:** The Contractor shall possess a valid California Contractor's License in the following classification: "A - General Engineering Contractor".
5. **Standard Construction Specifications:** The latest version of the Sacramento Area Sewer District (SacSewer) Standards and Specifications and the provisions contained herein shall govern all work to be done under the contract.
6. **Labor:** All workmanship shall be first class throughout, and only experienced, qualified journeymen shall be employed under proper capable supervision.

Pursuant to California Labor Code Division 2, Part 7, Chapter 1, Articles 1 and 3, eight (8) hour's labor shall constitute a legal day's work, and no worker in the employment of Contractor or any Subcontractor, doing or contracting to do any part of the work contemplated by this agreement, shall be required or permitted to work more than eight (8) hours in any one calendar day or forty (40) hours during any one calendar week, except as provided in Section 1815 of the California Labor Code.

Reference:

https://leginfo.legislature.ca.gov/faces/codes_displayexpandedbranch.xhtml?tocCode=LAB&division=2.&title=&part=7.&chapter=1.&article=

7. **Prevailing Wage:** Contractor shall not pay less than the General Prevailing Wage Determination made by the Director of Industrial Relations pursuant to California Labor Code Part 7, Chapter 1, Article 2, Sections 1770, 1773 and 1773.1. Refer to <http://www.dir.ca.gov/dlsr/pwd/>
8. **Supervision:** Contractor shall provide a competent foreman to oversee and monitor the contract work. Such person shall have the authority and commitment to act in SacSewer's best interest.
9. **Responsibility of Contractor:** It shall be the responsibility of the Contractor to furnish all labor, supervision, travel, equipment, power, light, materials, tools, and appliances necessary to perform and complete the work requested. This includes any change in conformity with the true meaning and intent of the contract drawings and specifications.

- 10. Payment Bond (Labor & Materials):** Pursuant to Civil Code 3247, for work involving an expenditure of greater than \$35,000 the successful bidder(s) shall furnish a Payment Bond in an amount of **Seventy Five Thousand Dollars (\$75,000.00)** prior to commencement of work. Successful bidder(s) shall furnish within fourteen (14) consecutive days after written Notice of Award, Said bond shall be secured from a surety company acceptable to the Sacramento County Sanitation District No. 1 and authorized or licensed by the State of California.
- 11. Unit Prices:** Information identified in the Vendor Price Proposal is for the purpose of evaluating proposals. Selected contractors will be solicited for actual bids for specific work later.
- 12. Minimum Order:** Contractor shall not be requiring a minimum order this RFP/award.
- 13. Subcontracting:** Contractor may subcontract portion(s) of the work, as long as Contractor retains the bulk of the work. Any subcontracting will be solely between Contractor and its subcontractor(s). Contractor will remain responsible for all work performed under the contract, as though Contractor performed all the work. Additionally, Contractor shall remain the sole agent dealing with SacSewer.
- *If subcontracting is proposed, bidders shall provide the requested information about subcontracting in responding to the enclosed questionnaire. Subcontracting is subject to prior approval from SacSewer. Failure to provide the requested information may result in disqualification of your proposal.*
- 14. Conformance with Codes, Laws, Regulations and Standards:** All work and materials shall be in full accordance with all applicable codes, laws, regulations and standards. These include: National Electrical Code, State Fire Marshal, Title 24 of the California Administrative Code, Uniform Building Codes, and Uniform Plumbing Code published by the Eastern Plumbing Officials Association.
- 15. Responsibility for Accuracy:** The Contractor shall obtain all necessary measurements for and from the work, and shall check dimensions, elevations, and grades for all layout and construction work and shall supervise such work, the accuracy for all of which the Contractor shall be responsible.
- 16. Cost Estimates:** Contractor must provide written cost estimates for any type of work when actual bids for specific work are solicited.
- 17. Underground Service Alert Checks:** It will be the responsibility of the Contractor to check with the Underground Service Alert people prior to doing any digging.
- 18. Hazardous Material Detected:** If Contractor detects any structural material that may be hazardous as defined in the California Health and Safety Code Section 25117, Contractor shall promptly notify the County representative listed on the work order before the site is disturbed.
- 19. Public Safety:** The Contractor shall erect such warning and directional signs as may be necessary for public safety.
- 20. Public Convenience:** The Contractor shall conduct operations as to offer the least possible obstruction and inconvenience to the public. The Contractor shall have under construction no greater amount of work than can be prosecuted properly with due regard to the rights of the public. The Contractor shall provide temporary access to all business establishments and pedestrian walkways as required by SacSewer.

Sacramento Area Sewer District
RFP#8502 ON-CALL PUMP STATION AND FACILITY REPAIR /
REPLACEMENT / INSTALLATION / INSPECTION SERVICES

The Contractor shall not close or obstruct any portion of any highway, road, or other property without proper permits.

- 21. Barricades:** The Contractor shall furnish and set up barricades as required.
- 22. Hazards:** Hazards such as standing water, ropes tied to tree limbs, excavations and unsecured material (such as wood, metal, etc.) shall be immediately remedied by the Contractor.
- 23. Protection of Property and Environment:** Contractor shall take every precaution to protect all public and private property during the performance of this contract. Any damage to existing facility or property caused by Contractor's personnel or equipment shall be promptly repaired to the condition existing before the damage or be replaced. All costs for such repairs or replacements shall be solely the responsibility of Contractor.

Contractor shall be environmentally responsible. Any spills or releases of hazardous wastes occurring while under Contractor's control and possession, which are not caused by the negligence or willful misconduct of SacSewer, shall be solely the responsibility of Contractor.

- 24. Time Limits:** Time limits for completion of work are to be project specific. Contractors solicited for work shall complete the work within the specified project contract time.

- 25. Extensions of Time Limits:** Extensions of time limits may be granted upon:

- a. Changes in the work ordered by SacSewer, insofar that these changes require additional time in which to complete the work.
- b. Prevention by SacSewer of the Contractor from commencing or prosecuting the work because of acts of others, aside from Contractor's subcontractors.
- c. Change of conditions at job site - differing from those indicated in the work order or differing materially from those ordinarily encountered as inherent in the work.

Extensions of time limits shall specifically not include:

- a. Any delay that could have been avoided by the exercise of care, prudence, foresight and diligence on the part of Contractor.
- b. Any delay in the prosecution of parts of the work, which may be unavoidable, but which does not necessarily prevent or delay the prosecution of other parts of the work, nor the completion of the job within the time specified.
- c. Any reasonable delay resulting from time required by SacSewer for review of plans and submittals required of Contractor and for the making of surveys, measurements and inspections.

Unless Contractor promptly notifies SacSewer of events to the contrary, SacSewer will expect the work to be completed by Contractor within the normal time limits specified above. Extensions, if granted by SacSewer, shall operate only to extend the completion date and shall not increase the sum to which SacSewer is to pay Contractor.

26. Liquidated Damages: Failure to complete the work by the completion or extension date shall subject Contractor to liquidated damages as follows:

In the event Contractor fails to complete the work by the completion or extension date, the parties to the contract shall agree that SacSewer will sustain damages. Further, since it is extremely difficult to determine actual damages that may be sustained by District, it shall be agreed that the amount of liquidated damages to be paid by Contractor to District would be project specific for each calendar day behind schedule, until the work is completed. Such amount shall be the actual cash value agreed upon as the loss to SacSewer resulting from Contractor's default.

27. Payment of Damages: In the event Contractor shall become liable for liquidated damages, District, in addition to all other remedies provided by law, shall have the right to withhold any and all payments from which would otherwise be or become due to Contractor until liability of Contractor is finally determined. District shall have the right to use and apply such payments, in whole or in part, to reimburse SacSewer for all liquidated damages due or to become due to SacSewer. Any remaining balance of such payments shall be paid to Contractor only after discharge in full of all liability incurred by Contractor under this section or otherwise. If the sum so retained by District is not sufficient to discharge all such liabilities of Contractor, Contractor shall continue to remain liable to SacSewer until all such liabilities are satisfied in full. No failure by District to withhold any payment as specified shall in any manner be construed to constitute a waiver to any right to liquidated damages or any right to any such sum.

28. General Liability of Contractor: Except as otherwise noted, Contractor shall do all work and furnish all labor, supervision, equipment, power, light, tools and materials necessary to properly perform and complete the work in the time and manner required. The mention of any specific duty or liability of Contractor shall not be construed as limitation or restriction of any general liability or duty of Contractor and, any reference to any specific duty or liability shall be construed to be for the purpose of explanation only.

29. Guarantee: Except for ordinary wear and tear and unusual abuse or neglect, Contractor shall guarantee all work executed by him/her and all materials and devices attached to the work, or otherwise delivered to SacSewer as part of the work pursuant to the contract, to be absolutely free of all defects in workmanship and materials for a period of one (1) year from date of acceptance by SacSewer. Contractor shall agree to repair or replace any or all such work or material, together with all or any other work or material which may be displaced or damaged in so doing, that may be proven defective in workmanship or material within the one year period from the date of acceptance without expense whatsoever to SacSewer.

In the event that the Contractor fails to comply with the above mentioned conditions within ten (10) business days' time after being notified of the defect in writing, SacSewer shall have the right, whether or not it constitutes an actual immediate hazard to health or safety, to have the defect immediately repaired at the expense of the Contractor. It shall be at SacSewer's sole discretion to have the defect permanently or temporarily repaired.

30. Inspection of Services: All services, including labor, facilities, equipment and materials furnished or utilized in the performance of services shall be subject to inspection and test by SacSewer to the

Sacramento Area Sewer District
RFP#8502 ON-CALL PUMP STATION AND FACILITY REPAIR /
REPLACEMENT / INSTALLATION / INSPECTION SERVICES

extent practicable, at all times and places during the term of the contract. All inspections by SacSewer shall be made in such a manner as not to unduly delay the work.

District may require inspections of any Contractor owned or operated facility for purposes of insuring compliance with contract specifications, terms and conditions.

If District determines that services performed are not in conformity with contract specifications, terms and conditions, District shall have the right to:

- a. Require Contractor to take immediate steps to perform the services in conformity with contract specifications, terms and conditions; and/or
- b. Make monetary deductions to reflect the reduced value of services performed.

- 31. Cleaning up:** Throughout the construction period, the Contractor shall keep the site of the work in a presentable condition and dispose of any surplus materials. Upon completion of the work, and prior to requesting final inspection, the Contractor shall thoroughly clean the site of the work of all rubbish, excess material, and equipment, and all portions of the work shall be left in a neat and orderly condition. The final inspection will not be made until this has been accomplished.
- 32. Disposal and Salvage:** All materials removed shall become the property of the Contractor, unless otherwise designated by the facility representative. All materials removed shall be disposed of or salvaged by the Contractor.
- 33. Time of Completion:** Time of completion is to be project specific. Contractors solicited for work shall complete the work within the specified project contract time.
- 34. Contractor Shall Assume Risks:** Until the completion and final acceptance by District, the work shall be under Contractor's responsible care and charge. Contractor shall rebuild, repair, restore and make good all injuries, damages, re-erectments, and repairs occasioned or rendered necessary by accidental causes of any nature, including vandalism, to any or all portions of the work, except as otherwise stipulated.
- 35. Dismissal of Unsatisfactory Employees:** If any person employed by the Contractor or any subcontractor fails or refuses to carry out the directions of a SacSewer representative, or is, in the opinion of a SacSewer representative, incompetent, unfaithful, intemperate, or disorderly; or uses threatening or abusive language to any person at the facility; or if otherwise unsatisfactory, he/she shall be removed from the work immediately, and shall not again be employed on the work except upon consent of a SacSewer representative.
- 36. Retention for Imperfect Work:** If any portion of the work done or materials furnished under the contract shall prove defective or not in accordance with the specifications and contract drawings, and if the imperfection in the same shall not be of sufficient magnitude or importance to make the dangerous or undesirable, or if the removal of such work is impracticable or will create conditions which are dangerous or undesirable, the facility representative shall have the right and authority to retain the work instead of requiring it to be removed and reconstructed, but the facility representative shall make such deductions therefore in the payment due or to become due the Contractor as may be just and reasonable.

- 37. Final Inspection:** The Contractor shall notify the facility representative of the completion of the work, and the facility representative shall promptly inspect the work. The Contractor or the Contractor's representative may be present at the final inspection.
- 38. Payment:** Payment is made to the Contractor after final inspection and acceptance of the work. The Contractor will be compensated in full (amount of estimate) for furnishing all labor, supervision, equipment, power, light, tools and materials, and for successfully carrying out and completing all the work according to schedule, plans and applicable codes.
- 39. Indemnification–** To the fullest extent permitted by law, Contractor shall indemnify, defend, and hold harmless Sacramento Area Sewer District, and the County of Sacramento, their respective governing Boards, officers, directors, officials, employees, and authorized volunteers and agents, (collectively “Indemnified Parties”) from and against any and all claims, demands, actions, losses, liabilities, damages, and all expenses and costs incidental thereto (collectively “Claims”) including cost of defense, settlement, arbitration, and reasonable attorneys' fees, resulting from injuries to or death of persons, including but not limited to employees of either Party hereto, and damage to or destruction of property or loss of use thereof, including but not limited to the property of either Party hereto, arising out of, pertaining to, or resulting from the acts or omissions of the Contractor, its officers, employees, or agents, or the acts or omissions of anyone else directly or indirectly acting on behalf of the Contractor, or for which the Contractor is legally liable under law regardless of whether caused in part by an Indemnified Party. Contractor shall not be liable for any Claims to the extent caused by the active negligence of an Indemnified Party where such indemnification would be invalid under Subdivision (b) of Section 2782 of the Civil Code.

This indemnity shall not be limited by the types and amounts of insurance or self-insurance maintained by the Contractor or the Contractor’s Subcontractors.

Nothing in this Indemnity shall be construed to create any duty to, any standard of care with reference to, or any liability or obligation, contractual or otherwise, to any third party.

The provisions of this Indemnity shall survive the expiration or termination of the Agreement.

40. California Air Resources Board (CARB)

- A. Effective January 1, 2024, the California Air Resources Board (CARB) amended the In-Use Off-Road Diesel-Fueled Fleets Regulation (Off-Road Regulation or regulation) to incorporate new contracting requirements to establish a proactive check at the onset of a project or at contract renewal to encourage fleets to comply with the regulation.
- B. For a project involving the use of vehicles subject to the regulation, Contractor must obtain copies of the valid Certificate of Reported Compliance (Certificate) for the fleets and subcontractors that are listed in the PROPOSED SUBCONTRACTORS FORM (Section 00 43 36). Copies of the Certificates shall be submitted by the Contractor to the District. Noncompliant fleets, i.e., those without a valid Certificate, are prohibited from being contracted.
- C. The Contractor must retain copies of the Certificate(s) for three years after the project is complete.

Sacramento Area Sewer District
RFP#8502 ON-CALL PUMP STATION AND FACILITY REPAIR /
REPLACEMENT / INSTALLATION / INSPECTION SERVICES

Records must be provided to CARB within five business days, upon request.

D. The Contractor must also:

- a. Collect new valid Certificates for fleets under this Contract between March 1 and June 1 of each year.
- b. Only allow fleets with valid Certificates on the job site.
- c. Immediately disclose to CARB, upon request, the name and contact information of any fleet or vehicle owner on their job site; this requirement only applies to fleets or vehicles that are subject to the regulation.
- d. Must report it to CARB within five business days at: <https://calepa.my.salesforce-sites.com/complaints/Complaint>, or at email: dieselcomplaints@arb.ca.gov, if the Contractor discovers a fleet intending to operate vehicles at the job site does not have a valid Certificate or observes noncompliant fleets or vehicles operating on their job site. The report must include:
 - i. The date on which the violation was discovered or observed;
 - ii. name and business address of the responsible party;
 - iii. email and phone number of the responsible party, if known; the DOORS fleet ID number of the fleet, if known;
 - iv. the location of the job site on which the noncompliant fleet or vehicle was operating, if applicable; and
 - v. statement specifying whether the fleet or vehicle is continuing to operate at the job site, if applicable.
- e. prominently display a sign that provides key information about the regulation and how to report noncompliance. The sign must be posted where vehicles subject to this regulation will operate for eight or more calendar days; the sign must be posted by the eighth calendar day from when the first vehicle operates. Section 2449(j)(5) provides the exact language that must be on the signage, verbatim, along with other very specific directions about how and where to post it. The signage lettering must be larger than size 14-point type and must be displayed in a conspicuous place where employee notices are typically posted or where there is employee foot traffic.
 - i. CARB has provided an example sign for use or reference at the following [link](#).

TERMS AND CONDITIONS

Valid Offer: Proposals received are an irrevocable offer and shall be valid for one hundred and twenty (120) days following the closing date for receipt of proposals.

Changes to Proposal: SacSewer retains the right to negotiate changes in a proposal by any offeror, and/or to reject any or all proposals if none of the submittals are responsive to SacSewer's needs.

Public Record: All proposals become the property of SacSewer. Accepted proposals and subsequent award(s) become public records. Proprietary information must be clearly marked as such. Pricing and service elements of the successful proposal will not be considered proprietary information.

Terms of Sale: Terms of sale may include a cash discount; however, a minimum of "Net 30 days" will be required for this RFP/award.

F.O.B. Point: The f.o.b. point shall be f.o.b. destination, various job sites.

Licenses and Permits: Contractor shall obtain and keep in effect, at all times during the term of the agreement, any licenses and permits necessary for the Contractor's operations. All such costs shall be at the Contractor's expense.

Health and Safety: Contractor shall plan and conduct the work in a manner that will safeguard all persons from injury and shall take all precautions as required by California Department of Industrial Relations and Cal-OSHA (California-Occupational Safety and Health Administration).

Work on District Premises: Except for those risks inherent in the contracted work, District agrees to provide Contractor and its employees a safe working environment for any work that must be undertaken on premises owned or leased by District. While Contractor's employees are on District's premises, Contractor shall maintain strict work discipline that affects its work in compliance with governmental laws and occupational health and safety regulations.

Standards of Conduct: Contractor shall be responsible for maintaining satisfactory standards of employee competency, conduct, appearance, and integrity and shall be responsible for taking such disciplinary action with respect to his/her employees as may be necessary. Contractor and staff shall always be courteous, cooperative and professional toward District representatives and the public in the course of their work. All assignments and problems shall be handled promptly and professionally to the satisfaction of SacSewer.

Correspondence: Contractor or his/her designated officer shall respond to all inquiries and complaints expeditiously and in a professional manner. Correspondence shall be made on the Contractor's official stationery.

Termination upon Unsatisfactory Performance: Whenever, in the opinion of SacSewer, the said service is not satisfactory, Contractor shall be advised of the reasons in writing. If Contractor fails to immediately correct the unsatisfactory condition(s), District may declare the contract in default, terminate the contract, and contract with another.

Sacramento Area Sewer District
RFP#8502 ON-CALL PUMP STATION AND FACILITY REPAIR /
REPLACEMENT / INSTALLATION / INSPECTION SERVICES

Notwithstanding any provision to the contrary, District shall have no obligation to give Contractor more than two (2) notices of unsatisfactory performance during the contract period. If Contractor fails to perform the services pursuant to the contract, Contractor and/or surety may be held liable and may be assessed any and all costs for the re-procurement of the contracted services.

Right to Terminate: Either party may terminate the contract, without cause, by notice from the terminating party to the other party specifying the effective date of termination, which date shall be at least sixty (60) calendar days after receipt of notice by the non-terminating party. Notwithstanding, Contractor shall remain obligated to provide goods pursuant to the contract and District shall remain obligated to pay compensation for the goods ordered prior to the effective date of such termination.

Force Majeure: Neither CONTRACTOR nor SACSEWER shall be liable or responsible for delays or failures in performance resulting from events beyond the reasonable control of such party and without fault or negligence of such party. Such events shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, acts of government, fire, power failures, nuclear accidents, earthquakes, unusually severe weather, acts of terrorism, or other disasters, whether or not similar to the foregoing, and acts or omissions or failure to cooperate of the other party or third parties (except as otherwise specifically provided herein).

Recycling: SacSewer in recognition of concerns for the depletion of natural resources, dwindling landfill space, and the ecological effect of wastes in the environment, encourages the use of recycled, recyclable and reusable products and materials. Hence, consideration will be given for product(s) that contain recycled material or have the potential of being recycled, if the availability, fitness, quality, purpose and price of the recycled product(s) is otherwise equal to or better than, virgin products.

Changes: Should District request any deviations, additions or deletions of items specified on the contract, it shall be at liberty to do so. Such alterations shall not nullify the contract but shall be added or be deducted from the agreed amount, as the case may be, by a fair and reasonable valuation, and upon the mutual agreement of the parties.

Toll-free Telephone Number: In the event the successful Contractor's place of business is located out of the local telephone dialing areas of 916 and 279, a toll-free telephone number shall be provided, or Contractor shall agree to accept collect calls from SacSewer.

Subcontracting: Performance of work may not be subcontracted except upon consent of District; and no such subcontracting will be permitted if it would relieve the original contractor or his surety of their responsibilities under the contract.

Non-recognition of Subcontractors: No subcontractor will be recognized as such, and all persons engaged in the work under the contract will be considered as employees of the contractor, and their work shall be subject to all provisions of the contract. SacSewer and its representatives will deal only with the contractor, who shall be responsible for the proper execution of the work.

Drug-free Workplace: In submitting a Request for Quotation/Bid/Proposal, Contractor certifies that its place of business provides a drug-free workplace and has:

1. Published a "Drug-free Workplace: statement notifying employees that the manufacture, distribution, dispensing, possession or use of a controlled substance or other unlawful drug or alcohol is prohibited

Sacramento Area Sewer District
RFP#8502 ON-CALL PUMP STATION AND FACILITY REPAIR /
REPLACEMENT / INSTALLATION / INSPECTION SERVICES

in the Contractor's workplace and specified the actions that will be taken against employees for violations of such prohibition.

2. Established a Drug-free Awareness Program to inform employees about:
 - a. The dangers of drug and alcohol abuse in the workplace.
 - b. The Contractor's policy of maintaining a drug-free workplace.
 - c. Any available drug counseling, rehabilitation, and employee assistance program.
 - d. Penalties that may be imposed upon employees for drug and alcohol abuse violations occurring in the workplace.
3. Notified employees that as a condition of employment, employees will be expected to abide by terms of the statement and be given an individual copy of the Contractor's "Drug-free Workplace" statement.

Non-appropriation: The contract will be subject to annual appropriation by the Board of Directors. Should the Board fail to appropriate funds for this contract, it will be terminated when existing funding is exhausted.

Non-discrimination: Contractor shall not discriminate in the provision of services because of color, race, creed, national origin, religion, sex, sexual orientation, age, physical or mental handicap in accordance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. Section 2000d), American with Disabilities Act (42 U.S.C. Section 12131 et seq.), and other applicable laws requiring no discrimination.

Non-assignment: Contractor shall neither assign nor subcontract any part of the services under this contract without prior written consent of SacSewer.

Unrestricted Quantities: SacSewer is not limited to purchase all of its requirements from any contract resulting from this RFP/award.

Contractor not an Agent: Except as SacSewer may specify in writing, contractor shall have no authority, express or implied, to act on behalf of District in any capacity whatsoever as an agent. Contractor shall have no authority, express or implied pursuant to the contract to bind SacSewer to any obligation whatsoever.

Compliance with all Laws and Jurisdiction: Contractor shall comply with all applicable federal, state, and local statutes, ordinances, regulations, directives, and laws. The laws of the State of California, the State in which this contract was executed, shall govern the interpretation and enforcement of this contract. The parties agree to submit any disputes arising under this contract to a court of competent jurisdiction located in Sacramento, California.

In Writing: Oral communications with District employees about this Request for Quotation/Bid/Proposal shall not be binding on SacSewer and shall not excuse Contractor from any obligation set forth herein.

Sacramento Area Sewer District
RFP#8502 ON-CALL PUMP STATION AND FACILITY REPAIR /
REPLACEMENT / INSTALLATION / INSPECTION SERVICES

No modifications or amendment to the Request for Quotation/Bid/Proposal shall be valid unless it is set forth in writing -- via a signed addendum or amendment from the issuing buyer.

Integration Clause: This contract constitutes the entire contract between District and Contractor regarding the subject matter of the contract. Any prior agreements, whether oral or written, between District and Contractor regarding the subject matter of this contract are hereby-terminated effective immediately upon full execution of this contract. No modification or amendment to this contract shall be valid unless it is set forth in writing and is signed by the parties hereto.

Evaluation and Award Matrix

The evaluation team will consist of representatives from SacSewer. Proposals will be evaluated in two phases, as follows:

Phase 1: In phase 1, proposals will be examined as to whether or not proposers understood and responded with proper completion and submittal of required proposal documents.

Proposers who did not respond properly will be immediately disqualified.

Phase 2: In Phase 2, proposals that were not disqualified in Phase 1 will be evaluated and scored using the table below. Proposals must meet a minimum score of 70 points.

Independent Contractor:

1. It is understood and agreed that contractor (including contractor's employees) is an independent contractor, and that no relationship of employer-employee exists between the parties hereto. Contractor's assigned personnel shall not be entitled to any benefits payable to employees of District. District is not required to make any deductions or withholdings from the compensation payable to contractor under the contract; and, as an independent contractor, contractor hereby indemnifies and holds District harmless from any and all claims that may be made against District based upon any contention by any third party that an employer-employee relationship exists due to the contract.
2. It is further understood and agreed by the parties hereto that contractor in the performance of its obligation hereunder is subject to the control or direction of District as to the designation of tasks to be performed, the results to be accomplished by the services hereunder agreed to be rendered and performed, and not the means, methods, or sequence used by contractor for accomplishing the results.
3. If, in the performance of the contract, contractor employs any third persons, such person shall be entirely and exclusively under the direction, supervision, and control of contractor. All terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by contractor.
4. It is further understood and agreed that as an independent contractor and not an employee of District, neither the contractor nor contractor's assigned personnel shall have any entitlement as a District employee, right to act on behalf of District in any capacity whatsoever as agent, nor to bind District to any obligation whatsoever.
5. It is further understood and agreed that contractor must issue W-2 and 941 Forms for income and employment tax purposes, for all of contractor's assigned personnel under the contract.

Responsibility of Independent Contractor:

1. Contractor as an independent contractor, shall be liable and hereby expressly assumes and accepts exclusive liability as an employer under the Federal Insurance Contribution Act, the Federal Unemployment Tax Act, Federal Social Security Act, the Unemployment Compensation Act, or any other Federal or State laws or acts which in any way affect or relate to the relationship of employer and employee, and shall be liable for Social Security or Unemployment Compensation or other taxes or penalties arising or levied by reason of the employment of such persons, and shall be responsible for the collection and remittance of any taxes so levied, upon Contractor, on account of the persons employed by Contractor.

DISTRICT INSURANCE REQUIREMENTS

Without limiting CONTRACTOR'S indemnification, CONTRACTOR shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the Agreement by CONTRACTOR, its agents, representatives or employees. DISTRICT shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If in the opinion of DISTRICT Risk Manager, insurance provisions in these requirements do not provide adequate protection for DISTRICT and for members of the public, DISTRICT may require CONTRACTOR to obtain insurance sufficient in coverage, form and amount to provide adequate protection. DISTRICT'S requirements shall be reasonable but shall be imposed to assure protection from and against the kind and extent of risks that exist at the time a change in insurance is required.

1. Verification of Coverage

CONTRACTOR shall furnish DISTRICT with certificates evidencing coverage required below. **Copies of required endorsements must be attached to provided certificates.** DISTRICT Risk Manager may approve self-insurance programs in lieu of required policies of insurance if, in the opinion of the Risk Manager, the interests of DISTRICT and the general public are adequately protected. All certificates, evidences of self- insurance, and additional insured endorsements are to be received and approved by DISTRICT before performance commences. DISTRICT reserves the right to require that CONTRACTOR provide complete copies of any policy of insurance including endorsements offered in compliance with these specifications.

2. Minimum Scope of Insurance and Limits

Coverage shall be at least as broad as:

GENERAL LIABILITY:

Commercial General Liability insurance including, but not limited to, protection for claims of bodily injury and property damage, personal and advertising injury, contractual, and products and completed operations. Coverage shall be at least as broad as "Insurance Services Office (ISO) Commercial General Liability Coverage Form CG 0001" (Occurrence Form) or a form as broad in scope and coverage. The limits of liability shall be not less than:

Each Occurrence	Two Million Dollars (\$2,000,000)
Personal & Advertising Injury	Two Million Dollars (\$2,000,000)
Products and Completed Operations	Four Million Dollars (\$4,000,000)
Aggregate	
General Aggregate	Four Million Dollars (\$4,000,000)

Building Trades Contractors and Contractors engaged in other projects of construction shall have their general liability Aggregate Limit of Insurance endorsed to apply separately to each job site or project, as provided for by Insurance Services Office form CG-2503 Amendment-Aggregate Limits of Insurance (Per Project).

AUTOMOBILE LIABILITY: Automobile Liability insurance providing protection for bodily injury and property damage arising out of ownership, operation, maintenance, or use of owned, hired, and non-owned automobiles. Coverage shall be at least as broad as ISO Business Auto Coverage Form CA 0001 (or a form or policy language as broad in scope and coverage), symbol 1 (any auto), if commercially available. Use of

Sacramento Area Sewer District
RFP#8502 ON-CALL PUMP STATION AND FACILITY REPAIR /
REPLACEMENT / INSTALLATION / INSPECTION SERVICES

any symbols other than symbol 1 for liability for corporate/business owned vehicles must be declared to and accepted by County in writing. If there are no owned or leased vehicles, symbols 8 and 9 for non-owned and hired autos shall apply. The minimum limits of liability shall not be less than the following for each accident:

Corporate/Business Private Passenger	Two Million Dollars(\$2,000,000)
Commercial Vehicles	Two Million Dollars (\$2,000,000)

WORKERS' COMPENSATION: Workers' Compensation insurance, with coverage as required by the State of California (unless the Contractor is a qualified self-insurer with the State of California), and Employers' Liability coverage. The limits of Employers' Liability shall not be less than:

Each Accident	One Million Dollars (\$1,000,000)
Disease Each Employee	One Million Dollars (\$1,000,000)
Disease Policy Limit	One Million Dollars (\$1,000,000)

UMBRELLA or Excess Liability policies: Contractor is granted the option of arranging the required coverages and limits under a single policy or by a combination of underlying policies with the balance provided by an Excess or Umbrella liability policy equal to the total Per Occurrence and Aggregate limits required on the Commercial General Liability policy and the Combined Single Limit on the Commercial Automobile Liability policy.

CONTRACTORS POLLUTION LIABILITY (CPL): Contractor shall procure, maintain, and keep in force at all times during the term of the Contract, at the Contractor's sole expense, Contractor's Pollution Liability (CPL) insurance which provides coverage for liability arising from the sudden and accidental release of pollution on the project site or transportation of pollutants from or to the project site. The minimum limits shall be not less than \$2,000,000 per claim or pollution incident.

CPL shall include but is not limited to:

- Insuring all of the services the Contractor provides in the normal course of operations under the Contract. Partial operations coverage is unacceptable.
- Bodily injury, sickness, disease, sustained by any person, including death.
- Property damage includes physical injury to or destruction of tangible property including the resulting loss of use thereof; clean-up costs, and the loss of use of tangible property that has not been physically injured or destroyed including diminution of value and Natural Resources damages.
- Defense costs including costs, charges and expenses incurred in the investigation, adjustment or defense of claims.
- Contractual liability coverage, e.g. coverage for liability assumed by the named insured under a written contract or agreement.

If CPL coverage is written on a claims-made form, the following provisions apply:

The "Retro Date" must be shown and must be on or before the date of the Contract or the beginning of the Work. Contractor shall maintain the required CPL policy at not less than the required minimum limits, for not less than one (1) year after Final Acceptance of the Work. If coverage is cancelled or non-renewed, and not replaced with another claims-made policy form with a "Retro Date" prior to the Contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of one (1) year after Final

Acceptance of the Work.

3. Deductibles and Self-Insured Retention

Any deductibles or self-insured retention that apply to any insurance required by this Agreement must be declared and approved by DISTRICT.

4. Other Insurance Provisions

The insurance policies required in this Agreement are to contain, or be endorsed to contain, as applicable, the following provisions:

5. All Policies:

- a. ACCEPTABILITY OF INSURERS: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than **A-: VII**. DISTRICT Risk Manager may waive or alter this requirement or accept self-insurance in lieu of any required policy of insurance if, in the opinion of the Risk Manager, the interests of DISTRICT and the general public are adequately protected.
- b. MAINTENANCE OF INSURANCE COVERAGE: CONTRACTOR shall maintain all insurance coverages in place at all times and provide DISTRICT with evidence of each policy's renewal within ten (10) days after its anniversary date. Contractor is required by this Agreement to immediately notify SacSewer if they receive a communication from their insurance carrier or agent that any required insurance is to be canceled, non-renewed, reduced in scope or limits or otherwise materially changed. Contractor shall provide evidence that such cancelled or non-renewed or otherwise materially changed insurance has been replaced or its cancellation notice withdrawn without any interruption in coverage, scope or limits. Failure to maintain required insurance in force shall be considered a material breach of the Agreement.

6. Commercial General Liability, Commercial Automobile Liability, Pollution Liability and Umbrella/Excess Liability:

- a. ADDITIONAL INSURED STATUS: Sacramento Area Sewer District, and the County of Sacramento, their respective governing Boards, officers, directors, officials, employees, and authorized volunteers and agents (the "Additional Insured Parties"), are to be endorsed as additional insureds as respects: liability arising out of activities performed by or on behalf of CONTRACTOR; products and completed operations of CONTRACTOR; premises owned, occupied or used by CONTRACTOR; or automobiles owned, leased, hired or borrowed by CONTRACTOR. The coverage shall contain no endorsed limitations on the scope of protection afforded to the Additional Insured Parties.
- b. PRIMARY INSURANCE: For any claims related to this agreement, CONTRACTOR'S insurance coverage shall be endorsed to be primary insurance as respects the Additional Insured Parties. Any insurance or self-insurance maintained by the Additional Insured Parties shall be excess of CONTRACTOR'S insurance and shall not contribute with it.
- c. WAIVERS OF SUBROGATION: Policies shall include a waiver of subrogation in favor of the Additional Insured Parties as required by written contract or agreement; or specifically endorsed as applicable.
- d. SEVERABILITY OF INTEREST: CONTRACTOR'S insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
- e. SUBCONTRACTORS: CONTRACTOR shall be responsible for the acts and omissions of all its subcontractors and additional insured endorsements as provided by CONTRACTOR'S subcontractor.

7. **Workers' Compensation:**

WORKERS' COMPENSATION WAIVER OF SUBROGATION: The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against the Additional Insured Parties, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against the Additional Insured Parties.

8. **Property**

PROPERTY AND INLAND MARINE WAIVER OF SUBROGATION: Any Property or Inland Marine insurance policies (such as are used to insure contractors' equipment) maintained by CONTRACTOR in performance of the Agreement shall be endorsed to state that the insurer shall waive all rights of subrogation against DISTRICTS and COUNTY OF SACRAMENTO.

9. **Notification of Claim**

If any claim for damages is filed with CONTRACTOR or if any lawsuit is instituted against CONTRACTOR, that arise out of or are in any way connected with CONTRACTOR'S performance under this Agreement and that in any way, directly or indirectly, contingently or otherwise, affect or might reasonably affect DISTRICT, CONTRACTOR shall give prompt and timely notice thereof to DISTRICT. Notice shall be prompt and timely if given within thirty (30) days following the date of receipt of a claim or ten (10) days following the date of service of process of a lawsuit.

VENDOR QUESTIONNAIRE

General: Respond to all information requested in this RFP. Use additional sheets as necessary. Brochures and advertisements will not be accepted as a substitute for these requirements. A qualifying proposal must address all items. Incomplete proposals may be rejected.

Format: Your response to this Vendor Questionnaire shall be organized and submitted in the format prescribed below in order to facilitate the comparison of proposals. For example, if you are replying to 1.f., indicate 1.f. next to that reply, etc.

1. **Company profile:** Your company profile shall include the following information:
 - a. Founding date (month and year)
 - b. Company size – staff and client base (i.e., local, regional, statewide, etc.)
 - c. Company’s vision and mission statements
 - d. Products and/or services provided
 - e. Location of the office from which the work will be provided and the staff allocation at that office.
 - f. Number of Projects – Include the number of projects completed during the past two years.
 - g. Organization Chart – Include an organization chart of your company’s management structure, tracing field operations personnel to the vice president level.
 - h. Identify the project manager and include his or her e-mail address, telephone, fax, and cellular number.
 - i. Identify key facilities and equipment that your company has to support the proposed agreement.
 - j. List your company’s professional affiliations and accreditation. Include a copy of any applicable accreditation and/or certification with your submittal.

2. **References:** List three or more clients (governmental entities preferred) with whom your firm has provided CIPP or Pipe Bursting services to. For each of these references, include the organization name, mailing address, and contact person’s name, telephone number and e-mail address.

3. **Work plan:**
 - a. Outline of proposed methodologies that will be employed to accomplish the work.
 - b. Indicate whether or not your company will be subcontracting portion(s) of the work. If so, indicate the portion of work that will be subcontracted. A subcontractor does not need to be named in this proposal but it should be described how a subcontractor would be chosen.
 - c. Describe how the interaction between your company and SacSewer will take place to ensure that the work is performed and reported in an accurate and timely manner.
 - d. Describe your company’s approach to quality assurance.
 - e. Describe your company’s approach to resolving problems that may be encountered in the field.

Sacramento Area Sewer District
RFP#8502 ON-CALL PUMP STATION AND FACILITY REPAIR /
REPLACEMENT / INSTALLATION / INSPECTION SERVICES

4. Employment Practices:
 - a. Equal Opportunity Employer: SacSewer requires an equal opportunity employer. Please provide a summary of your company's employment policy.
 - b. Prevailing Wage and Benefits: Will all assigned employees be paid the total hourly rate to include the basic hourly rate, health and welfare, pension, vacation and holiday, and training per the General Wage Determination made by the Director of Industrial Relations, for the crafts as set forth herein? If not, please explain.
 - c. Training and Safety Programs: Discuss your company's training and safety programs and frequency of training.
5. Business License: Include a copy of your company's current business license(s) with your proposal submittal.
6. California Contractor's License: Include a copy of your firm's current California Contractor's License with your proposal submittal.
7. Certificate of insurance: The contractor must have insurance meeting the minimum insurance requirements set forth herein (see *Insurance Requirements for Contractors*). Please sign, date and return the attached Proposer's Statement Regarding Insurance Coverage. Actual certificate of insurance and endorsement naming SacSewer as additional insured must be furnished to the issuing buyer within fourteen (14) days after notification of award.
8. Payment Bond (Labor & Materials): Pursuant to Civil Code 3247, for work involving an expenditure of greater than \$35,000 the successful bidder(s) shall furnish a Payment Bond in an amount of **Seventy Five Thousand Dollars (\$75,000.00)** prior to commencement of work. Successful bidder(s) shall furnish within fourteen (14) consecutive days after written Notice of Award, Said bond shall be secured from a surety company acceptable to the Sacramento County Sanitation District No. 1 and authorized or licensed by the State of California.
9. Clarification, exception or deviation: Each respondent may clarify or describe any exception or deviation from the requirements as set forth herein. Each clarification, exception or deviation must be clearly identified and submitted with your proposal. If your firm has no clarification, exception or deviation, a statement to that effect shall be included in the proposal.
